To,

The Principal
Bappuji English Medium Scjool
Parali, Palakkad

It is certified that Fire Extinguishers DCP(Dry Chemical Powder), CO₂(Carbon Di Oxide), ABC (Multi purpose) type Fire Extinguishers manufactured in minor firefighting equipment category conforming to IS : 13849, IS: 2878 and IS:2171. All materials used in manufacturing of the above are as per BIS (Bureau of Indian Standards) specification and suitable in Fire involving Organic Materials such as Wood, paper, rubber and plastics, Electronic and Electrical Equipments.

We will conduct the Periodic Service (Every year) of Fire Extinguishers supplied to Bappuji English Medium School without fail and will replace Fire Extinguishers if found any manufacturing defects.

Yours faithfully,

For Global Fire Safety
